### **Impact 89FM's Broadcast Signal Back At Full Strength In Time for Their 25-Year Birthday Bash**

EAST LANSING, Mich – On Dec. 11, 2013, an issue with the Impact 89FM (88.9 WDBM-FM) transmission system caused the main transmitter shutdown during the evening broadcast. Upon inspection by the chief engineer, it was determined that the problem was not with the transmitter itself, but with the transmission line leading to the transmitter. After combatting the problem for two months, Impact 89FM is pleased to announce their transmitter is back to full broadcasting strength.

This news comes at an ideal time since Impact 89FM is hosting their 25-year birthday bash on Thursday, Feb. 20 at Mac's Bar in Lansing. Local bands, including, The Soil and The Sun from Grand Rapids, Flint Eastwood from Detroit and Kim Vi and The Siblings, which is comprised of all Michigan State University jazz students, will be performing throughout the night.
